# AFTER SUFFERING TWO LONG YEARS

Mrs. Aselin Was Restored to Health by Lydia E. Pinkham's Vegetable

Compound.

Minneapolis, Minn.—"After my little one was born I was sick with pains in my sides which the doctors said were

caused by inflammation. I suffered a great deal every onth and grew very thin. I was under the doctor's care for two ong years without any benefit. Finally after repeated suggestions to try it we got Lydia E. Pink-

ham's Vegetable Compound. After taking the third bottle of the Compound I was able to do my housework and today I am strong and healthy again. I will answer letters if anyone wishes to know about my case."—Mrs. JOSEPH ASELIN, 606 Fourth Avenue, Minneapolis, Minn.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record of being the most successful remedy we know for woman's ills. If you need such a medicine why don't you try it?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Pawcatuck's New Auto-Chemical and Hose Wagon Arrives -Odd Fellows' Ritual at Burial of Martin Edwards-Band Concert on the Park-Barker-Morrow Marriage

at the fire house in Pawcatuck, diat the fire house in Pawcatuck, di-rect from the factory where the ma-chine was assembled in Lowell, Mass. It is a White type of fire apparatus, and at the fire district meeting when the committee was authorized to pur-chase, the price was quoted at \$5,000, the same as the American-LaFrance

the committee.

The new apparatus came under its own power from Lowell and the comown power from Lowell and the com-pany members and the taxpayers of the Pawcatuck fire district, many of them, are satisfied with the appear-ance of the machine. At the fire dis-trict meeting it was stated that the apparatus to be purchased could nego-tiate any hill, without regard to snow, ice, or surface conditions, could go anywhere, at any time and in very quick time. This machine not having a numping outfit, as has the new ana pumping outfit, as has the new ap-paratus in Mystic, it can be utilized only where there is hydrant water pressure, and the tests preliminary to acceptance therefore must be confined to road tests, and, of course, as the roads are at this season. There is but one company in the Pawcatuck fire district, a hose company, and with this new machine is able to give chemical service in addition, an improvement that will be appreciated.

Mr. and Mrs. Addison S. Archie, who were married Wednesday evening in Stonington, spent the night in their new residence in Spruce street, Westerly, instead of starting on their wedding trip by automobile after the wed-ding ceremony, as their intimate friends were led to believe. When the friends were led to believe. When the wedding reception was at its height, the principals were missing and it was learned that they had left by the back door route and, so the story went, were in Ted Picard's automobile bound to Kingston station where they were to board a train for New York. In short order three other automobiles were in hot pursuit, the occupants intending to get to Kingston in time to give the newlyweds an unexpected send-off.

peared and then the Feraro automobile with the newlyweds went by a circuitous route to the new Archie residence in Westerly.

The fact leaked out early Thursday morning and intimate friends heard that Addison and his bride were to take the 3.26 westbound train and the aforesaid friends bought confetti in large quantities and lay in wait for the clusive young pair. The train arrived and departed, but the bride and groom did not show up. In the meantime, Mr. and Mrs. Archie were in Ted Picard's automobile riding to the home of Mr. Archie's parents on the Watch Hill road.
